The Clerk prepared a draft budget, which was circulated to all members prior to the meeting. Councillors were invited to submit proposed projects and financial considerations in advance, ensuring these could be discussed during the session.

During the meeting, Councillors reviewed all items in the proposed draft budget. It was requested that certain items, such as memberships and audit fees, be separated to provide greater clarity on the amounts allocated to each. The Clerk was asked to confirm whether CIL funds could be used to purchase a new dust cart for the Hampton Vale Lengthsmen.
