Section 3 – External Auditor's Report and Certificate 2024/25

In respect of Hampton Parish Council - CA0119

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2024/25

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Please see below

Other matters not affecting our opinion which we draw to the attention of the authority:

We are unable to complete our review work on the AGAR and supporting documentation as a result of correspondence received in relation to 2024/25 and/or prior years. Once we have finalised our review and completed any additional work arising from that correspondence, a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters.

Our fee note for the limited assurance review will be issued when we certify completion.

3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.

We do not certify completion because:

We have not been able to complete our review work in time to enable to smaller authority to publish the required documentation in line with statutory requirements.

External auditor's limited assurance opinion 2024/25

On 23 September 2025, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2025. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

1. Section 1, Assertion 1 has been incorrectly completed. Information received from the internal auditor indicates that bank reconciliations were only performed from December 2024 onwards. This is consistent with weaknesses identified in internal control objectives A and D.

2. The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR.:

- Section 2, Box 4 incorrectly includes items which are not staff costs as defined in the Joint Panel on Accountability and Governance Practitioners' Guide. Please note that Box 4 should comprise payments made in relation to the employment of staff including only gross salary, employers' national insurance contributions, employers' pension contributions, gratuities for employees or former employees and severance or terminations payments to employees. Employment expenses which are benefits (mileage, travel, etc.), items of reimbursement of expenses for postage, stationery or other outlays made on behalf of the smaller authority, payroll processing costs and contractor/locum clerk costs in respect of individuals who are self-employed, ,are not staff costs for the purpose of

completion of the AGAR in accordance with proper practice. The figures in Section 2, Boxes 4 and 6 should read £22,293 and £122,163 (respectively).

- The prior year accounts were prepared on a receipts and payments basis and the current year on an income and expenditure basis. It has come to our attention that the 2023/24 VAT refund was claimed in 2024/25 but both years should be prepared on a consistent basis for comparative purposes.

Other matters not affecting our opinion which we draw to the attention of the authority:

1. The smaller authority has confirmed that it has not complied with the governance Assertions in Section 1, Boxes 2, 4 and 5, and it has provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified. This is consistent with the Internal Auditor's responses to Internal Control Objectives A, C, D, F and I. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

2. We received challenge correspondence in relation to the 2024/25 AGAR which we considered before completing our work.

External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
